MAY/ JUNE 2010

The Beaufort Art Association gallery will host a one-man artist exhibit by local award-winning photographer Ed Funk from May 17 - June 24, 2010 with a reception starting at 5:30 P.M. on Friday, May 21 . The exhibit entitled "THIS LAND IS YOUR LAND..." features a carefully selected group of photographs of the low country and numerous national landmarks and parks throughout America. The photographs display Ed's ability to

express his love of nature and the beauty of our country in a way that allows the audience to experience a sense of delight and serenity when viewing the vibrant color in his work. The images range from vivid color to black and white and sepia expressing the diversity of moods in Ed's work.

Ed grew up in New Jersey and, after 13 years in Chicago, came to the low country in 2000. A PhD in Chemistry by training, he is an award-winning photographer who employs a variety of digital cameras. Though he has been taking photographs since childhood, the self-taught artist spent his entire 37 year professional life in the printing industry with the world's largest manufacturer of printing inks and pigments in both a technical and marketing capacity.

Ed's work is featured regularly in over 75 galleries, shops, magazines and newspapers throughout the low country. In fact, one of the magazines he is best known for is the Bluffton Breeze for which his photography has graced the cover for almost eight years. He is a member of the Hilton

Head Art League Gallery, Society of Bluffton Artists, Beaufort Art Association Gallery and, Pluff Mudd Art in Bluffton. Last, but not least, he is a Past President and board member of the Camera Club of Hilton Head Island and a founding member of The Photography Club of Beaufort.

Presidents Message.....

This will be my final newsletter entry to you. Most importantly it has been a great honor to serve as your President the past two years. I have been blessed with the BEST board any president could hope for. They have been hard working, dedicated and giving people. As I have often commented "I have had an awful lot of great people making me look good". Thank you all so very much for your support and a job well done.

The Beaufort Art Association is a truly wonderful organization. We have a host of long time members who have helped build a strong association over many years and countless hours of their time given selflessly. They have been a great resource to me and I thank them. We also have many new members that have jumped right in and taken positions adding greatly to our continued success. Without you we would not have a future. Thank you.

Finally I would like to wish Tom and the new board all the best. I leave knowing BAA will be in good hands. Please support them in every way you can. It is a big job and they will need your help.

We have a long and proud history over half a century in Beaufort. "Belonging to BAA" is really saying something. Each member should feel that way. We are a volunteer organization but are only as strong as the member's commitment. It is your Association. Join in and be part of it. You will get more than you give.

Thank you for giving me the privilege of serving as your president.
